

The Belmont Hotel

"From the moment we arrived at the Belmont Hotel we were greeted with a friendly smile and a warm welcome"

With a graceful air of sophistication and a timeless charm, the Belmont Hotel stands proudly at the western end of Sidmouth's striking esplanade. It's just a short stroll from Sidmouth's bustling town centre, yet in the manicured gardens you could be a world away as you enjoy a cream tea or a glass of fine wine.

the perfect location

You're never far from the sea at the Belmont Hotel. On a summer's day there's nothing like taking your time over a Pimms or a light lunch on the terrace as you savour the wonderful views. The end of the day is a special time on the terrace too; balmy evenings and perfect sunsets make it a unique setting for a sundowner to remember.

In your room you'll find fresh flowers on arrival as well as a personal greeting from the manager. And if you're staying with us for a special occasion, we can arrange for a bottle of wine or champagne to be ready and waiting for you. All you have to do is ask.

bringing you every comfort

Every room in the hotel is easily accessible via our large passenger lift and benefits from an en-suite bathroom, digital free view televisions with sky sports, free wi fi, radio, direct dial telephone, and tea and coffee making facilities. Most have magnificent sea views, while the majority of Deluxe rooms have a balcony and also benefit from complimentary toiletries, fresh fruit, bathrobes and umbrella. Of course, for private dining, a late night snack or a leisurely breakfast on your balcony overlooking the sea, room service is always available.

"Relaxing in our beautiful room was the perfect start and end to every day"

"It's always worth making the effort to dress for dinner and it makes such a lovely atmosphere"

Dining at the Belmont Hotel is always a special occasion and we like to keep it that way by requesting that gentlemen wear a jacket and tie in the restaurant for dinner. It's a touch of formality that makes for a refined atmosphere and one that complements the quality of the cuisine. There's regular entertainment from our resident pianist, and service is formal yet always friendly. A more relaxed informal dining experience is available in the lounges and terrace.

an experience to savour

Our team of talented chefs are famous for creating a mix of traditional and contemporary dining that is cooked to perfection using the freshest locally sourced ingredients wherever possible. And of course our sommelier will be pleased to recommend a fine wine from our extensive wine list or an aperitif from our liqueur trolley so you can enjoy a taste of fine dining – in style.

"To be able to use to fantastic facilities next door at no extra charge was a wonderful added luxury"

As a guest at the Belmont hotel you are entitled to use the fantastic facilities at the adjacent Victoria Hotel. Get a feeling of being in the Mediterranean beside the quiet outdoor heated pool or enjoy a game of tennis, there's plenty to do to make your stay more enjoyable.

"You've got the South West's heritage on your doorstep in Sidmouth, and from the Belmont you can see it all"

The Belmont Hotel's location is really special. Just yards from the hotel entrance is the sea and Sidmouth's lovely beach and esplanade. It's just a short level walk to the town centre where independent shops and cosy coffee shops make shopping here feel like a trip back in time.

just a stroll away

As part of the Jurassic Coast, the cliffs at Sidmouth are famous for their internationally important geological features and abundance of fossils. In the summer you can take guided walks in the company of a local expert from Sidmouth Museum to take a closer look at this World Heritage Site.

Away from Sidmouth there are plenty of opportunities for sightseeing: Exeter is just a few miles away while, to the east, lovely Lyme Regis, with its world famous Cobb sea wall.
