New SPA

AT THE VICTORIA HOTEL

Our sister hotel, The Victoria Hotel, is undergoing a complete refurbishment of their spa as we prepare to welcome Brend Collection's second Source Spa.

The whole indoor pool and spa area will continue to be available until mid-October 2023, which is when the final phase of our renovations will commence. From that point forward there will be no indoor leisure facilities available until completion, which is expected in February 2024. However, rest assured final dates will be posted on our website and social media, and guests will be contacted prior to their arrival. Our snooker room is no longer available for guest use.

We hope you join us on our exciting journey ahead as we welcome Brend Collection's second Source Spa to The Victoria Hotel.
